These were projected on the Screen. Each question was given 3 minutes.

### Examiners Review the Hotcase

Each examiner independently reviews their Hotcase (ICU case) and then agree on findings and questions to be asked.

### Examiners review and discuss the Clinical data

### Hotcase in progress

Atleast 2 Examiners observe in detail as the candidate examines her case. Time keeper ensures all candidates get exactly same time

### Hotcase in progress

### Viva in Progress

Candidates in Part 1 face 4 vivas one after another. They got 2 minutes to read the scenario and then 7 minutes to discuss with examiner
